AI. In *SIGGRAPH Asia 2024 Real-Time Live! (SA Real-Time Live! '24)*, December 03-06, 2024. ACM, New York, NY, USA, 1 page. <https://doi.org/10.1145/3681757.3697048>

## 1 Abstract

We introduce a novel real-time virtual try-on system powered by generative AI. Our demonstration highlights key features, including real-time virtual try-on, realistic wrinkle generation, and human-garment interaction. We showcase the system's ability to produce highly plausible results across diverse poses and perspectives, offering a seamless and interactive experience for users.
