ABSTRACT

'Dune: Part One' is the remarkable science fiction epic and the introduction of Denis Villeneuve's vision of Frank Herbert's Dune universe to viewers. Join DFX Supervisor Stephen James for an eye-opening discussion of the pivotal role that DNEG played in bringing Villeneuve's immersive vision to life. Sharing enthralling behind-the-scenes details of the project, the team will dive into

the meticulously detailed VFX work and impressive creatures that played a climactic role in the creation of an iconic film.
